Course Facilitator: Christopher Sulway, PT, MHSc.

Chris is a physiotherapist who has worked clinically in acute care rehabilitation settings in both the public and private sector. Recently he has shifted his focus to health care administration and currently works at St. Michael's Hospital, Toronto.

Chris is also active in the areas of education and research. He is a lecturer at the University of Toronto and an Associate at the University of Toronto International Centre for Disability and Rehabilitation. He is an advocate for high quality health care, accessible to all and delivered in the most socially responsible manner.
