[May 6, 2010](#)

Next call has been confirmed for Monday, May 31, 2010 at 1:00 PM ET.

[May 2, 2010 Update](#)

1. HIV & Aging Grant

Was submitted thanks to the efforts of Patty & Kelly.

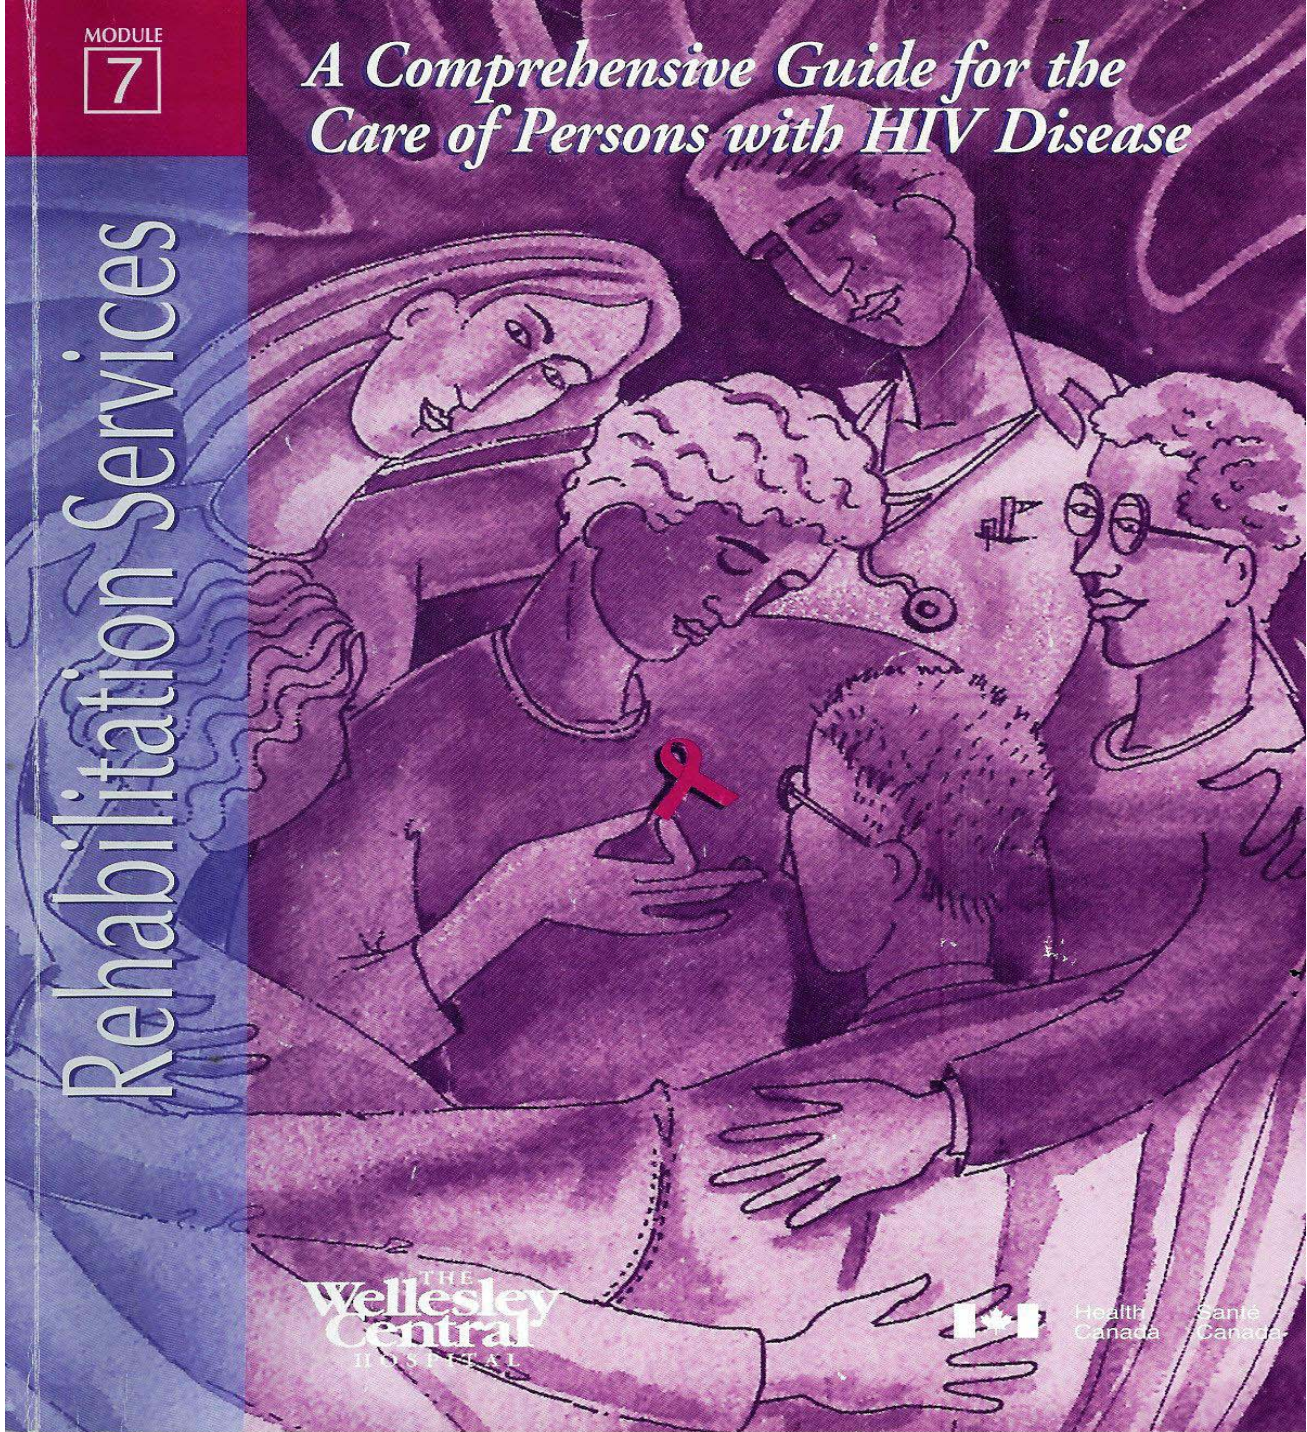

2. Copyright - [updated 4 May 2010](#)

2.1 Lawyers Marina and Ada have recommended that since this is not an original work (e.g. we really have used Module 7 as the launch point for the e-resource and have referred to it as such in our funding document and other places) we do have to get copyright permission to update the original resource.

2.2 We need to determine the penultimate copyright holder. It is not clear from the bibliographic page at the front of Module 7 who the copyright holder is (e.g. is it Anne, Anne and her committee, or the Wellesley Central). Ada will spend some time to definitely determine who the copyright holder is.

# *A Comprehensive Guide for the Care of Persons with HIV Disease*

## Rehabilitation Services

THE  
**Wellesley**  
Central  
HOSPITAL

Health  
Canada

Santé  
Canada
